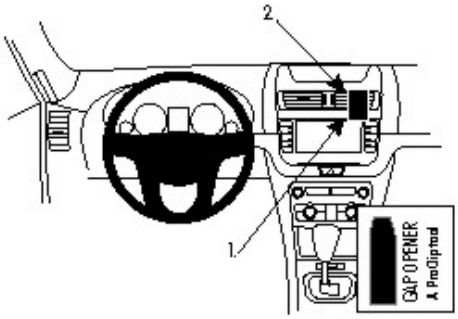
Product 854814



854814 ProClip

Center mount

The ProClip is a mounting bracket for the vehicle's dashboard. Onto the ProClip you can install e.g. a holder for your mobile phone or PDA or a handsfree set etc. Safe and convenient -always within easy reach. The ProClip is car specific and easy to install. The installation is quick, no special tools or dismantle of the dashboard is required and it will not damage the interior of the vehicle. Made in black ABS plastic. Comes with detailed instructions

EAN: 7320288548142

Item no 854814 fits:
Chevrolet PPV 12-15 (For USA)

INSTALLATION INSTRUCTIONS

1.

2.

3.

4.

Please read all of the instructions and look at the pictures before attaching the ProClip.

1. Press the thin end of the enclosed gap opener into the gap between the
frame surrounding the display and the vent frame panel, to widen the gap. Use the enclosed alcohol pad to clean the area where the ProClip is to be installed. Peel off the cover of adhesive tape on the ProClip.

2. Insert the lower grooved edge of the ProClip into the seam next to the gap opener. Pull out the gap opener.

3. Using your thumb under the lower part of the ProClip and your fingers on the upper part of the ProClip, flex the ProClip so the top angled edge goes into the seam between the inner vent and upper vent frame panel. You might need to wiggle the ProClip a little to get the angled edge into the seam as it is a tight upper seam. Listen for the ProClip to click into place.

4. The ProClip is in place.
